**Trees**

Trees are short, and trees are tall,  
And some drop leaves to scuff in  
Fall.

Trees are fat, and trees are thin,  
With windows where the sun looks  
in.

Trees are big, and trees are small,  
But Christmas trees are best of all.

FIREFLYEarlyONSiouxLookout

Keep up to date with new information about in  
person programming . Tune in for virtual videos  
and current postings.

**CRAFT TIME**

If you are interested in receiving a  
Craft bag with the materials of  
the week call

The health and wellbeing of the families we serve is at the forefront of our service planning and program delivery decisions.

For that reason, given the increased number of COVID-19 cases we are seeing across our region we have made the decision to return to **virtual services only** until mid January. We will continue to monitor the situation and reassess in January.

Please continue to watch our social media pages for the most up-to-date information on virtual or in-person programming.

We can be reached at 807-737-3253 Sioux Lookout should you have any questions or if you are looking for support or ideas around activities you can do with your child at home.

Stay safe everyone!

**Five Little Bells**

Five little bells,  
hanging in a row.

The first one said,  
ring me slow.

The second one said,  
ring me fast.

The third one said ,  
ring me last.

The fourth one said,  
I'm like a chime.

The fifth one said,  
ring us all at one time!
