November 2024

Program Descriptions for November

- ◇ **Baby Beginnings:** ages 0-18mths. A time for new parents to visit with one another and get some peer support. EarlyON staff and visiting professionals such as an NWHU Nurse and staff from KACL Children's Services are available to answer questions and provide resources about child development. The scale and measuring equipment is here weekly to track your child's growth.
- ◇ **Songs and Stories:** ages 2-4 yrs. We start by gathering on the carpet for songs and a story, then continue with an art experience, followed by a group snacktime and free play. **Participants need to register by calling us at 467-5530.**
- ◇ **Moe the Mouse:** ages 2-4yrs. Moe the Mouse and his animal friends help with speech and language practice, using songs, stories and rhymes. Moe will teach us about some animals local to our area and will share some of his Ojibwe language as well. We follow it up with an art activity and a group snack. Participants register for one week at a time, on a first come first served basis. **Call us at 467-5530 to sign up.**
- ◇ **NEW:French Fun:** ages 0-6yrs. This group is for our Francophone families, or those hoping for more French language exposure. It will include singing, stories, an art activity, light snacks and free play. The idea is to expose children to as much French as possible, through conversing in French with one another and through a completely French circle time. No registration required.
- ◇ **Toddler Hour:** ages 12-23 mths. If your child is aging out of Baby Beginnings but not old enough for Thursday's structured group, this is the program for you! Some young-toddler activities will be available in a less-formal format, including songs, stories, dancing, art activities and sensory play. Come prepared for your child to get messy while they explore. No sign up required.
- ◇ **Fall Fun (Outdoor Play):** Join us, along with Kathleen from the Kenora Public Library, across the street under the Janel Contracting Pavilion for some active Fall Fun on Friday, November 1 from 10:30 to 12:00. We'll have sports equipment, bubbles, chalk, music, and a story walk. Come get your wiggles out after all that Trick or Treating excitement! This is an all ages event.

Please note: all activities at the EarlyON Centre require parent/caregiver participation

REMEMBER...

There are lots of viruses circulating in the community. These can lead to complications in very young children and those with compromised immune systems.

Please be respectful of others and DO NOT attend the EarlyON Centre if you or your child is ill.

Thank you for your cooperation!

The Kenora Kinsmen Santa Claus Parade will take place this year on Saturday, November 30 at 5:30pm, beginning at the Kenora Curling Club.

Donations of non-perishable food items for the Miracle Marathon are accepted along the route!

Did You Know?

KEYON is the digital sign in system that provides parents a quick and simple way to sign in at EarlyON Centres across Ontario and the information collected by the centre helps them better serve you!

Go to www.keyon.ca today to learn more and to sign up! Once registered, you will receive your personal keytag at your first in-person visit to the EarlyON Centre
