

PROGRAM DESCRIPTIONS FOR SEPTEMBER

- ◇ **Baby Beginnings:** ages 0-18mths. A time for new parents to visit with one another and get some peer support. EarlyON staff and visiting professionals such as an NWHU Nurse, Lactation Consultant and staff from KACL Children's Services are available to answer questions and provide resources about child development. The scale and measuring equipment is here weekly to track your child's growth.
- ◇ **Songs and Stories:** ages 2-4yrs. We start by gathering on the carpet for songs and a story, then continue with an art experience, followed by a group snacktime and free play. **Please call 467-5530 to register** for this program (between 9-12 and 1:30-4:30), as space is limited. Participants register for one week at a time, on a first come first served basis.
- ◇ **Stroll n Roll:** ages 0-6yrs. We meet at the Harbourfront Entrance to the Library, and head out for a walk towards Huskie the Musky, returning to the Centre for some visiting, playtime and light snacks. Strollers, bicycles, scooters, etc are welcome. Please arrive promptly, as we will leave on the walk at 10:00.
- ◇ **Drop In Visits:** ages 0-6 yrs. These are times when you can pop in to play, do crafts, feed your baby, chat with other families, etc. Coffee and tea are available and staff are here to answer any questions you might have about child development or resources in the Kenora area.
- ◇ **Toddler Hour:** ages 12-23 mths. If your child is aging out of Baby Beginnings but not old enough for Thursday's structured group, this is the program for you! Some young-toddler activities will be available in a less-formal format, including songs, stories, dancing, art and sensory play. Come prepared for your child to get messy while they explore. No sign up required. Once a month, staff from KACL's Children's Services will visit to bring information about child development and parenting.

Please note: all activities at the EarlyON Centre are free of charge and require parent/caregiver participation

**KEY
ON**

Did You Know?

KeyON is the digital sign in system that provides parents a quick and simple way to sign in at EarlyON Centres across Ontario and the information collected by the centre helps them better serve you!

Go to www.keyon.ca today to learn more and to sign up! Once registered, you will receive your personal keytag at your first in-person visit to the EarlyON Centre

"Every leaf speaks
bliss to me,
fluttering from the
autumn tree."

- Emily Bronte

**SATURDAY
DROP IN IS
BACK!**

Come play and create
with us weekly from
9:00 to 2:00 beginning
September 6
